

**Right Hand, LLC** treats each person as an individual and like one of our own family members. Therefore, regardless of which service you are seeking from Right Hand, LLC, each person will be treated with dignity and respect.

## MISSION

Right Hand, LLC mission is to serve the special needs community by enhancing the quality of life, wealth of opportunity, and choice; that is equal to a non-disabled person.

Right Hand, LLC is committed to providing appropriate services for disabled adults and assisting the families in maintaining their loved one at home and in the community.

This will be accomplished through person centered supports and identifying the client's strengths and limitations in order to develop an effective plan for services. Right Hand, LLC is committed to enabling the client to achieve their maximum potential; by giving them the necessary assistance they feel will benefit them, while stressing inclusion, respect and independence.
